

**Coconino Plateau Water Advisory Council
Speakers Bureau**

Would you like to know more about the Water Advisory Council? If you want to know what the CPWAC is, what it is doing, and what it means to you, please call or e-mail and arrange for a presentation. The members listed below are ready to come to your group, organization, business, or school and do a presentation on the Coconino Plateau Water Advisory Council and answer your questions about our precious resource: water.

Liz Archuleta
